CABINET DISCUSSES POTASH. No Polley Yet Adopted Regarding the Dis-

pute With Germany. WASHINGTON, Dec. 18.-It was learned to year the seaguils, which at this season here to-day that the special Cabinet meet. have their camping ground on the point ing yesterday afternoon, which lasts;

The representatives of Germany con-tend that the potash law was enacted The friends of the resolution are considered by an external enemy its spiper to fidently claiming that they will have the support of the chairman of the Judiciary dellar, every ship and every dollar, every ship and every dollar, every ship and to prevent ship and the ship an to by sand worms are useless but have been deprived merely of speci.

The crows roost among the lative profits which they hoped to realize

The German Government takes the position that the potash law is not a dis crimination against the American tracts but applies to other foreign Governments, and consequently the retain tory provisions of the Payne-Aidri Some officials of the State Department
